

HELPING HANDS OF ALBERTON (MONTANA), A Non-Profit

Helping Hands of Albertain is a non-profit focused on providing essential items as well as toys to families in need during the holiday season. Our outreach covers Mineral County and western Missoula County. While our main focus is on children and families, we also distribute lunches and fruit baskets to our local senior citizens. Additionally, we offer a \$1,000 scholarship to a graduating senior each year to help them pursue their goals.
